

No. 6.1.05/VSS/66

Dear All,

**Sub:** KSCST: Technical Talk through Video Streaming on Monday, 20 2020 02:00 PM to 03:30 PM

With reference to the above, KSCST is organizing a technical talk from KSCST Live video streaming studio

**Topic:** “Special Lecture on Patent Drafting: Techniques and Tricks.” on 20<sup>th</sup> January 2020 02:00 PM to 03:30 PM

**By,**

**Somashekar Ramakrishna  
Senior Partner,  
BANANA IP, Bengaluru**

**Target students:** All Engineering Branch Students and faculties.

Live video will be streamed and can be received from your institution or your laptop with broadband / Wi-Fi connectivity and you can pose questions / queries at the end of the talk.

**How to Join:**

**Note:** Internet Connection with Proper Camera and Mic Facility should be available

**1. Interactive Connection**

**Steps:**

1. Connect your Laptop/Mobile to internet
2. Open browser
3. Enter URL <https://call.lifetimesizecloud.com/479003>

**Note: If the browser asks for the app download, kindly download the app and go to guest login and use 479003 as the extension**

4. Enter credentials Name (College Name) and valid email address - Click next
5. Choose your camera preference (Skype/Laptop Camera/Web Camera/Mobile Camera) - Click next
5. Choose your audio preferences - Select "Use computer audio"
6. Use computer audio - Click Join

“Joining the meeting.....” text appears and after successful joining, you will be able to receive the lecture.

At the end of the session, there will be a question and answer session requested by the listener by rising hand which enables KSCST moderator to allow the speaker to answer the question raised by the listener.

**2. Live receiving only**

Live technical video will be streamed and can be received from your laptop/Desktop with broadband / Wi-Fi connectivity.

**The URL for viewing the KSCST streaming video is <http://mmcr2.iisc.ac.in/videos/channel/19> which opens "Lifetimesize UVC Video Centre" home page and on the right-hand side there will be “Live Videos link” to view the streaming video, OR Click on KSCST channel to view the recorded / stored videos.**

-----  
**Kind Attention:**

If you are using Google Chrome browser and if the video doesn't work or a message alerts "You must enable Javascript and install the latest version of Adobe Flash Player to view the Video" Popups.

To resolve this, you must go to settings in Chrome -> Content Settings, under Privacy tab -> under Flash -> click "Allow sites to run flash" radio button then finish with Done button -> refresh the page to view the streaming.

-----  
Picture in picture can be viewed / swapped to view both presentation (PPT) and the speaker by clicking on the button on the bottom right-hand corner of the video.

Kindly confirm your participation to [vlab@kscst.iisc.ernet.in](mailto:vlab@kscst.iisc.ernet.in) , Mr.Vivek Anand Sagar, Attorney PIC, KSCST and contact Shri. Nagaraja Rao M, Mobile No. 9742052378 for any **Technical** queries.

It is also requested the SPP coordinators of colleges to project this video streaming lecture in the respective seminar halls / auditorium to reach large no of students/audiences and use headphone / mic while asking questions.

**Do's:**

Use the speakers for better listening in the hall and mute the mic

Use the Projector for better view of the lecture in the hall/seminar hall/auditorium

Use headphone / mic while asking questions

Kindly make use of this opportunity and interact with the speaker.

Thanking you,  
with best regards

Team KSCST Video Streaming Studio
