

c) Providing Information and Communication Technology (ICT) infrastructure for implementation of digital literacy in 79 KREIS residential Science PU Colleges across Karnataka

KSCST submitted a detailed project proposal to HAL under CSR fund to implement ICT infrastructure digital literacy by providing Laptops (Teaching and learning process), Projectors, library books, Network connectivity and Computer lab (All in one PC desktops) in 79 upgraded KREIS residential science PU colleges across Karnataka. HAL sanctioned an amount of Rs. 3.64 crore for the project.

KREIS has agreed to sanction an amount of Rs. 16.60 lakhs proposed by KSCST for travel, manpower and other administrative overheads excluding HAL funds. Further, KSCST had MoAs with HAL and KREIS for implementing this project. KSCST registered under GeM portal and floated tender (BoQ) under GeM portal on 4th November 2022. Expected to complete the process by the end of December, 2022.

KSCST is planning to put up a proposal to HAL for implementation of e-learning centers to KREIS schools with a budget of Rs. 2.5 crores.
