

g) Azadi ka Amrit Mahotsav: Vigyan Utsav

On the occasion of celebration of 75th Independence Day our Hon'ble Prime Minister desired to infuse new energy among countrymen by showcasing and celebrating achievement of last 75 years through Amrit Mahotsav.

The Department of Science & Technology, Govt. of India in association with state S&T councils initiated a year-long program "Vigyan Utsav" to showcase the STI ecosystem at the State level. The programme inaugurated during September 2021 and was concluded in August 2022. KSCST organ ised 12 sessions on the 12 month-specific themes as mentioned below to project the entire spectrum of the STI ecosystem at the state level:

- STI Institutions in the State
- Human Resource Development
- R&D Infrastructure
- Indigenous Technologies
- Innovation & Start-ups
- Science Communication & Popularisation
- Women Scientists
- Science & Society
- Future Technologies
- Basic Science for Atmanirbharata
- Atmanirbharata & Industry
- Intellectual Property Rights

KSCST prepared the compendium titled "State Level STI ecosystem "and was released during the S&T Council's meet held at Bhopal during August 2022.

The Vigyan Utsav webinar series received a tremendous response. from faculty and students of engineering and degree colleges. Vigyan Utsav of India reached out to more than 6 lakhs stakeholders across the country through various platforms
