

One Day Workshop on IPR and Management

Organised By

Karnataka State Council for Science and Technology

Indian Institute of Science Campus, Bengaluru

Karnataka State Council for Science and Technology (KSCST) and Department of Science and Technology, Government of India is jointly organising one day workshop on Intellectual Property Rights and Management at Choksi Hall, Indian Institute of Science, Bangalore at 10.00 am on Wednesday, 17th February 2016.

The workshop aims to provide the basic information and awareness on IPR spectrum from innovation to commercialization and also discuss the present scenario of IPR in academia and requirement of the IP Cell. The targeted audience would be from the academia, students and faculties, from Engineering Colleges, Universities and also from Pharmacy, Law and Diploma Colleges. This workshop will cover different topics of IP Management from introduction to IPR and best practices of IP Cell in educational institutions by renowned speakers.

The key topics that would be covered during the workshop are mainly:

- Introduction to IPR
- Patentability Criteria with case studies
- Patenting Procedure and Prior-art Search
- IP Commercialisation and Licensing

Participants interested in attending the workshop can confirm their participation on or before 15th February, 2016 by written mail to patent@kscst.iisc.ernet.in. May contact Mr. C. R. Pradeep (Mobile No. 9880222989) or Ms. Bhavya. K. B. (Mobile No. 9986591272), the Co-ordinators of the Program for more information.
