**Submitted by
District NRDMS Centre
Zilla Panchayat, Dakshina Kannada**

**Submitted to
Karnataka State Council for
Science and Technology (KSCST)**
Indian Institute of Science Campus,
Bengaluru – 560012

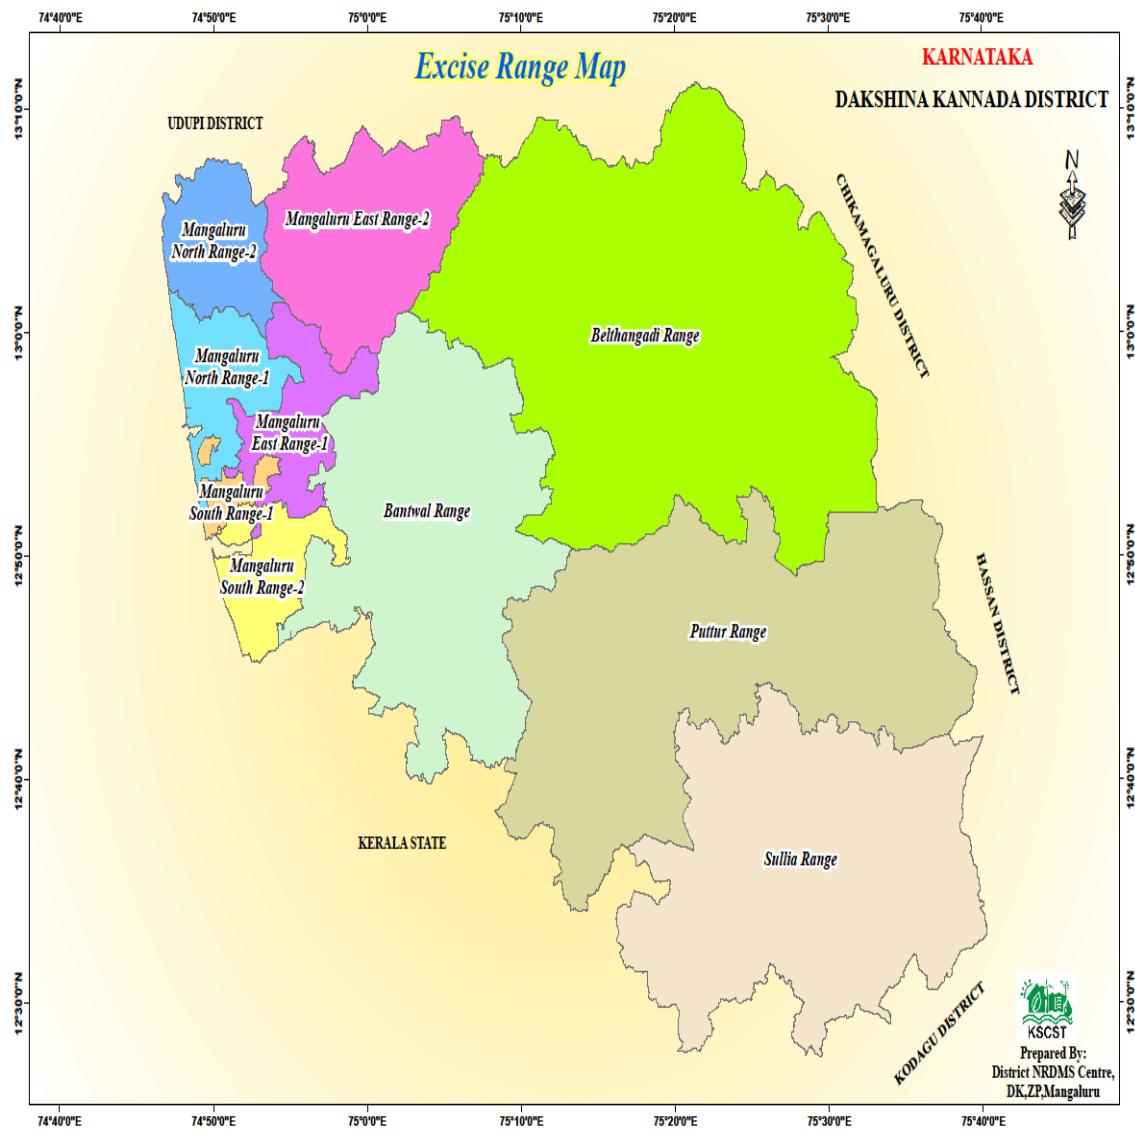

Technical Report (August - November 2025)

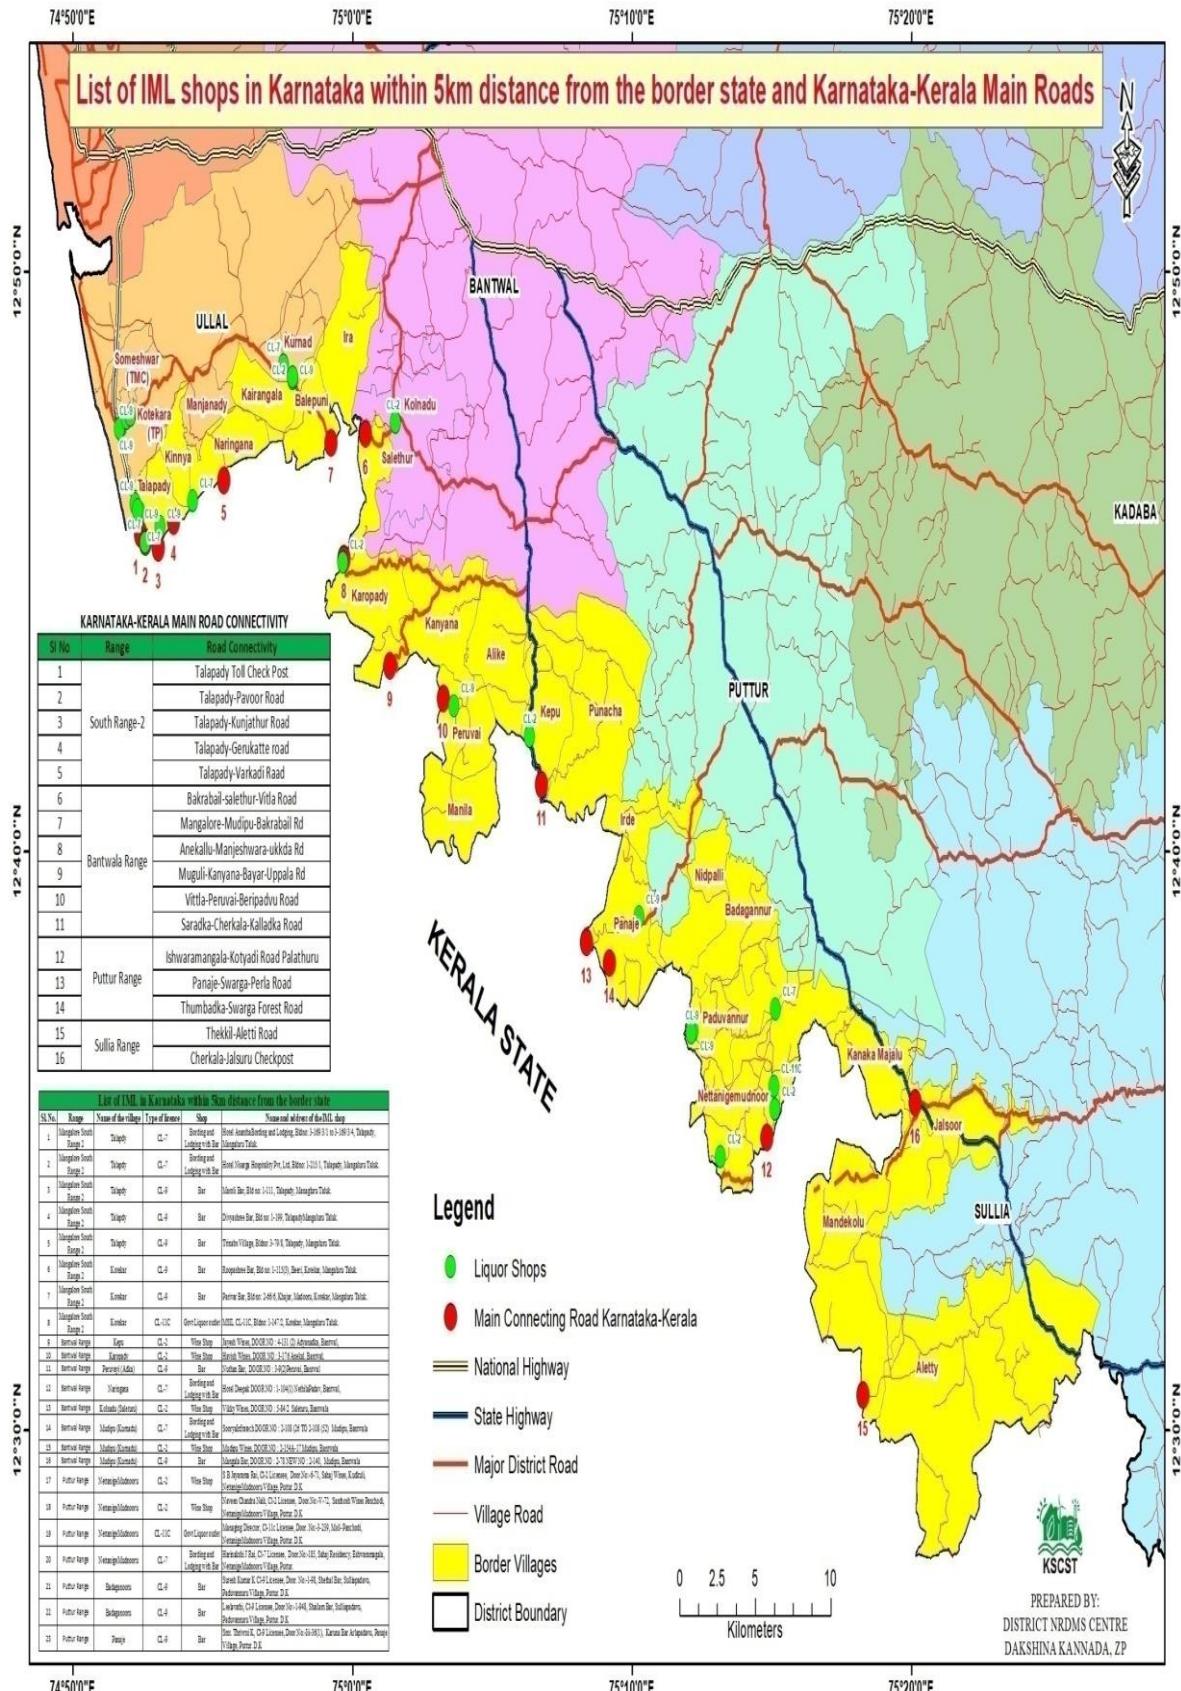

Sl. No.	Contents	Page No.
1	NRDMS Centre Activities (August - November 2025)	3-12
2	Training Programmes Attended	13
3	Training Imparted to Line Departments	13
4	Conclusion	13
5	Annexures -Tables and Documents	13-18

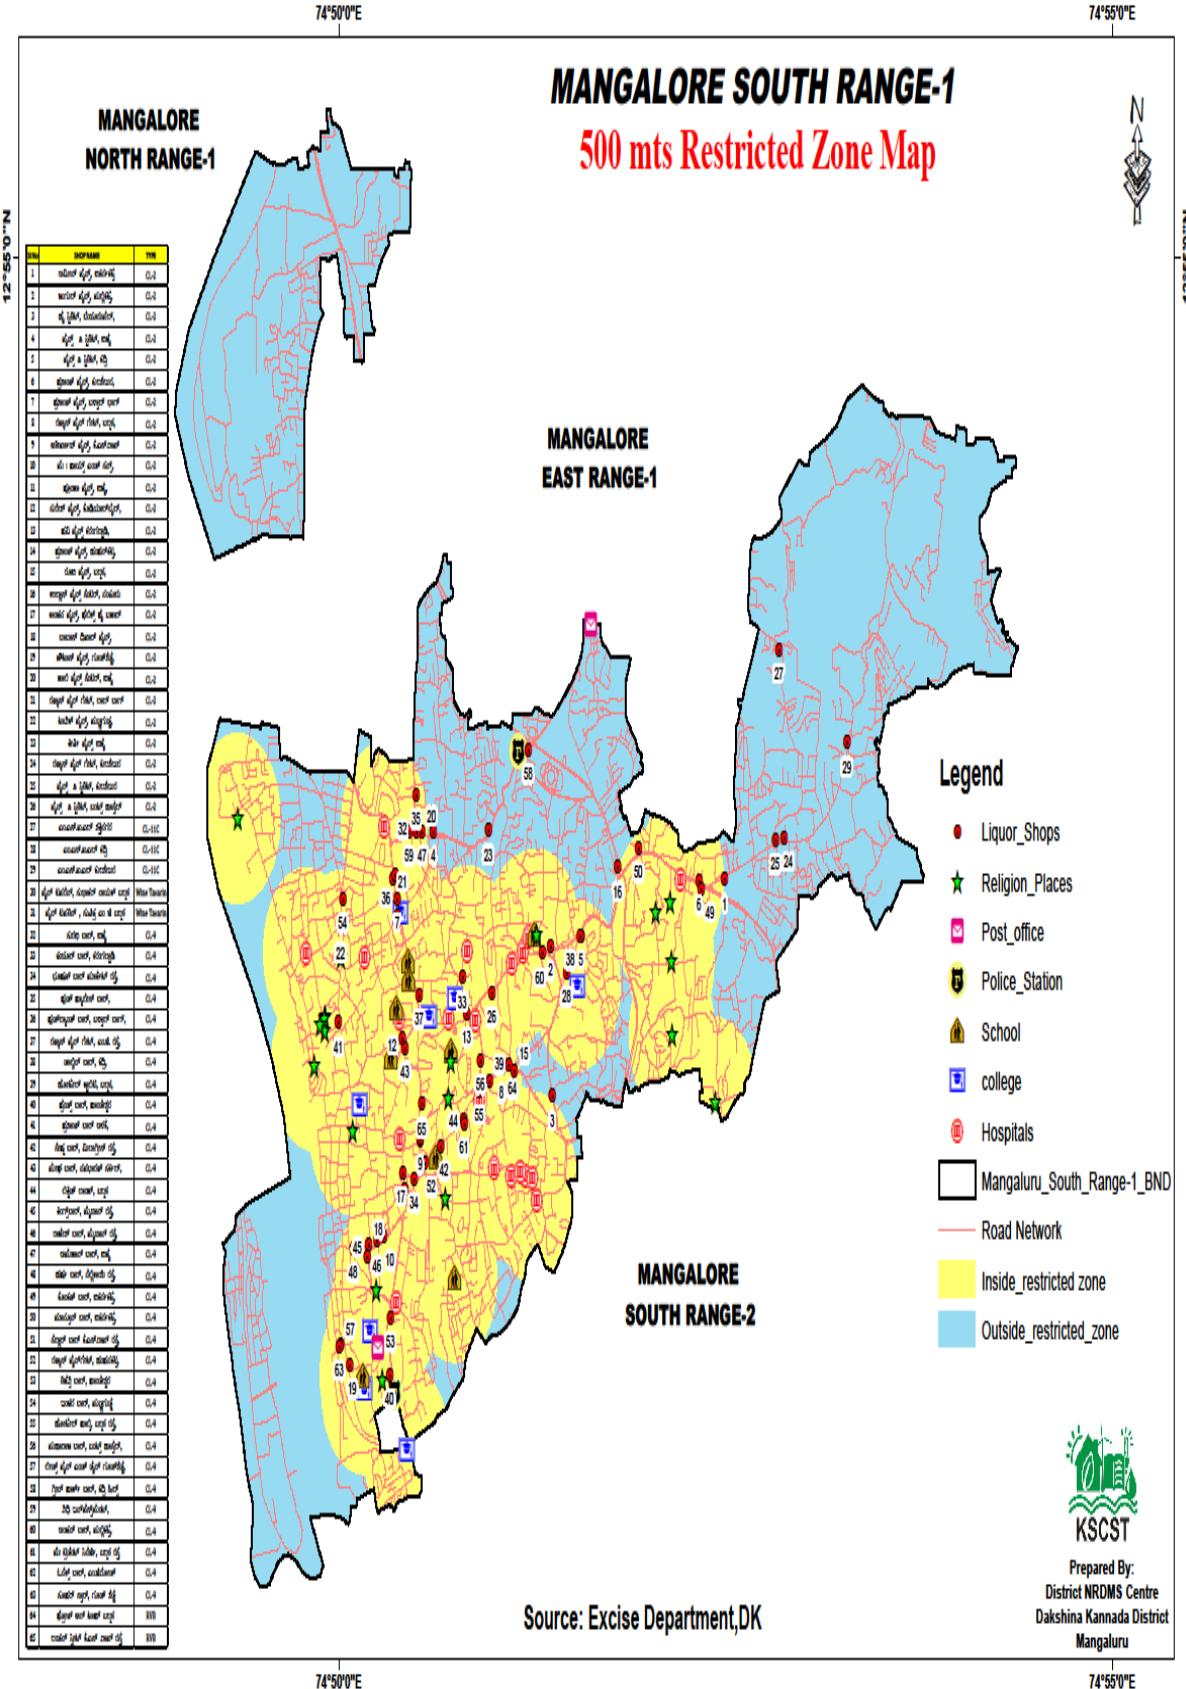

1. NRDMS Centre Activities (August 2025 - November 2025)

- **Excise Department**

As per the request from the Excise Department, NRDMS Centre have prepared Excise department Range map, Karnataka-Kerala border road network connecting villages with the locations of IML shops to monitor imports and exports, and to work on preventing illegal activities in the border also prepared Mangaluru North Range-1 500 meters restricted buffer zone map.

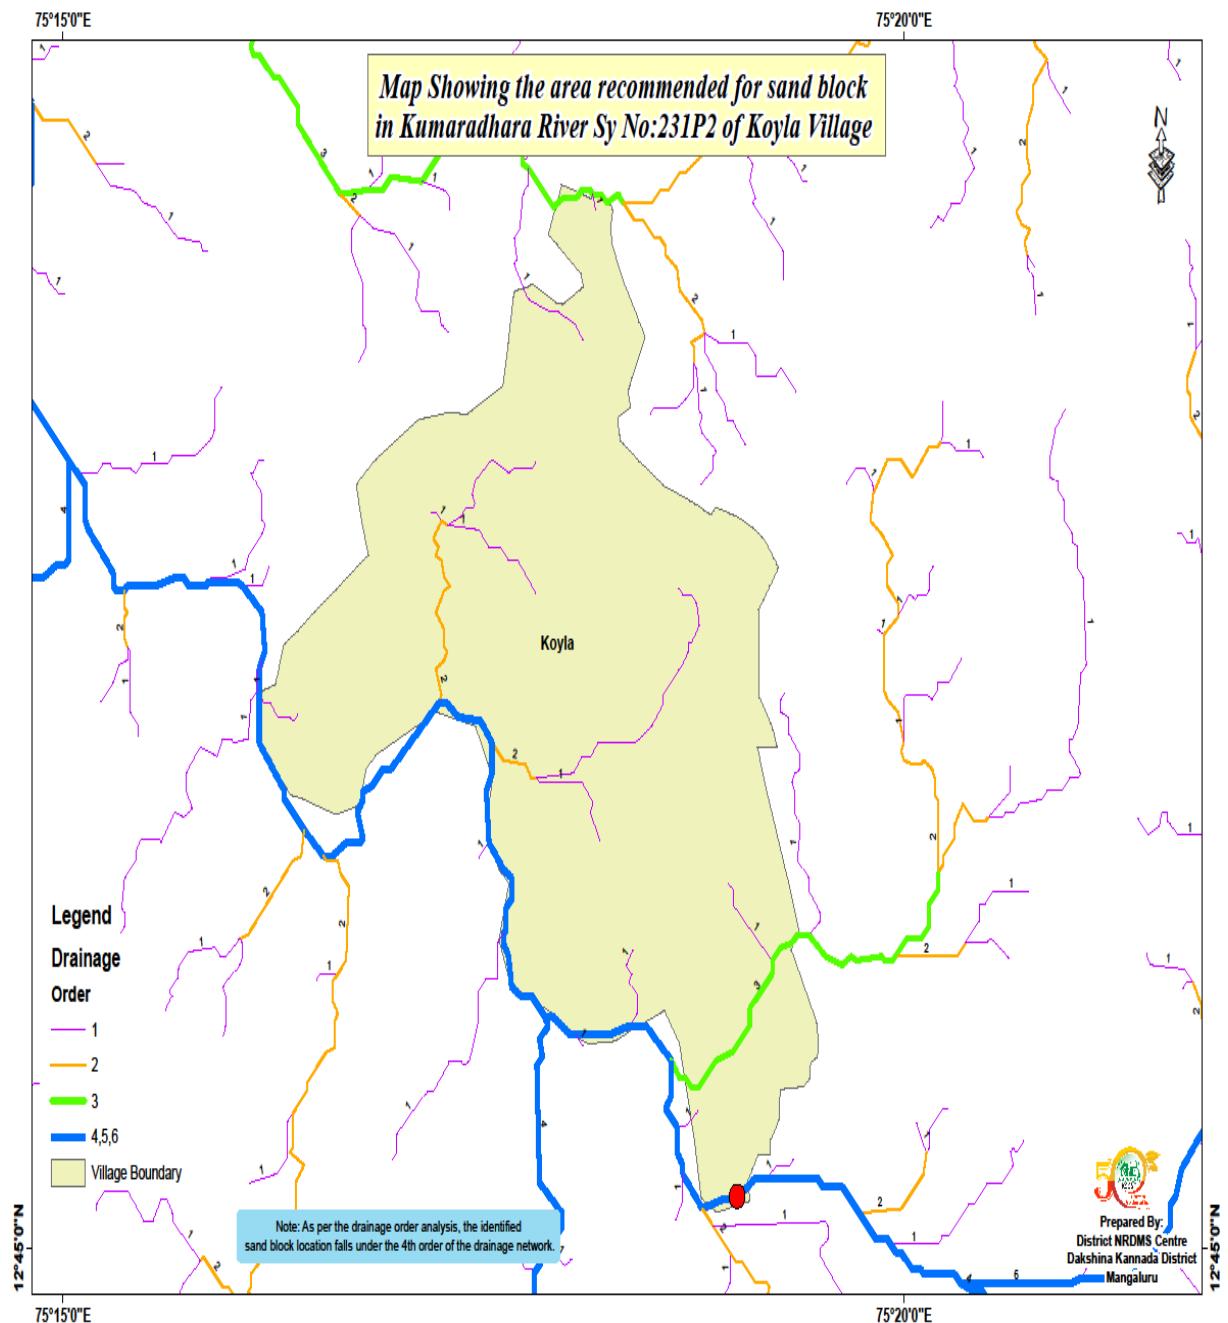

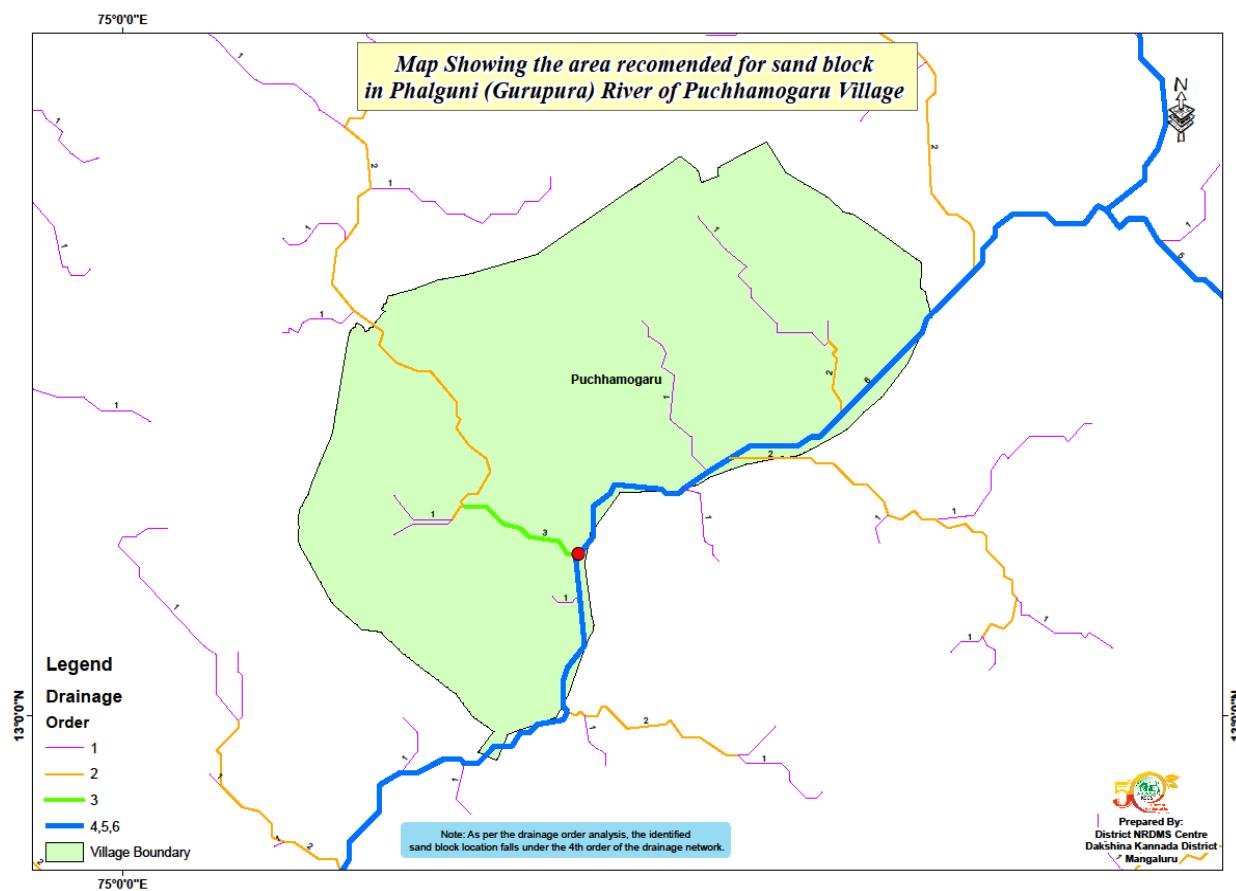

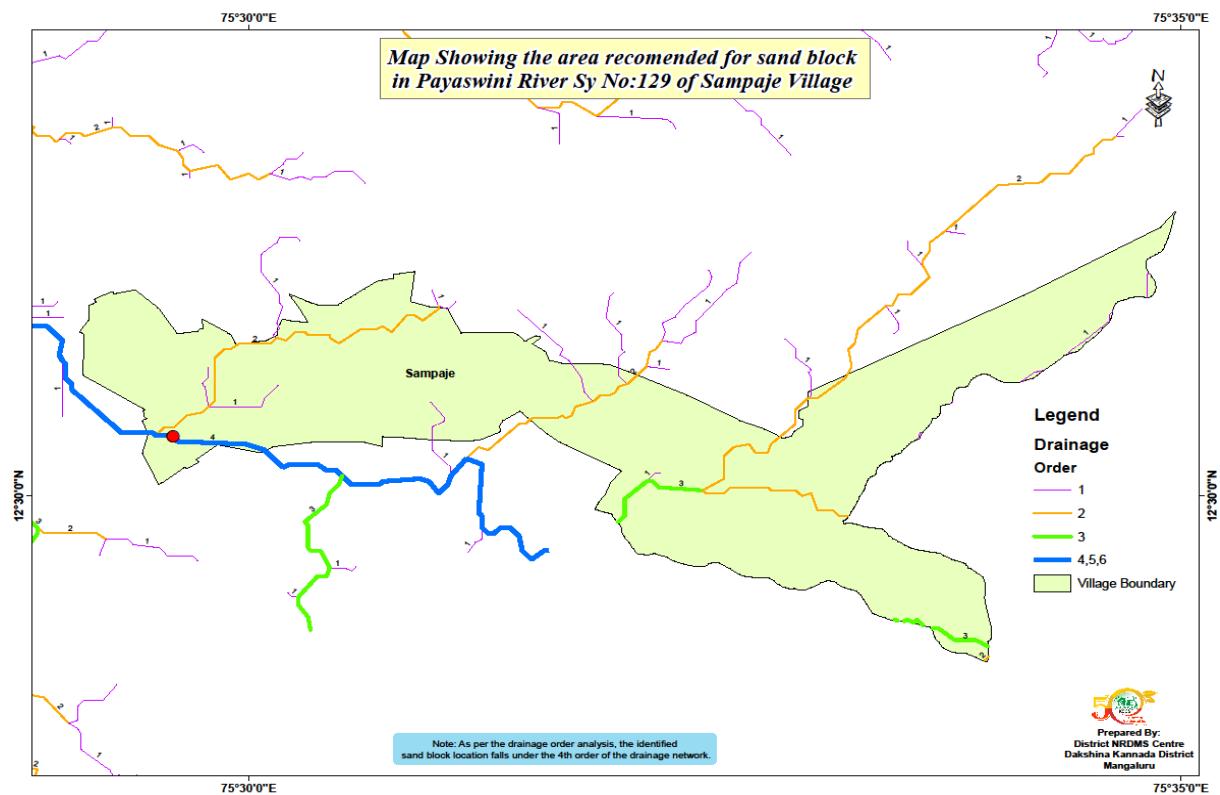

- **Mines and Geology Department**

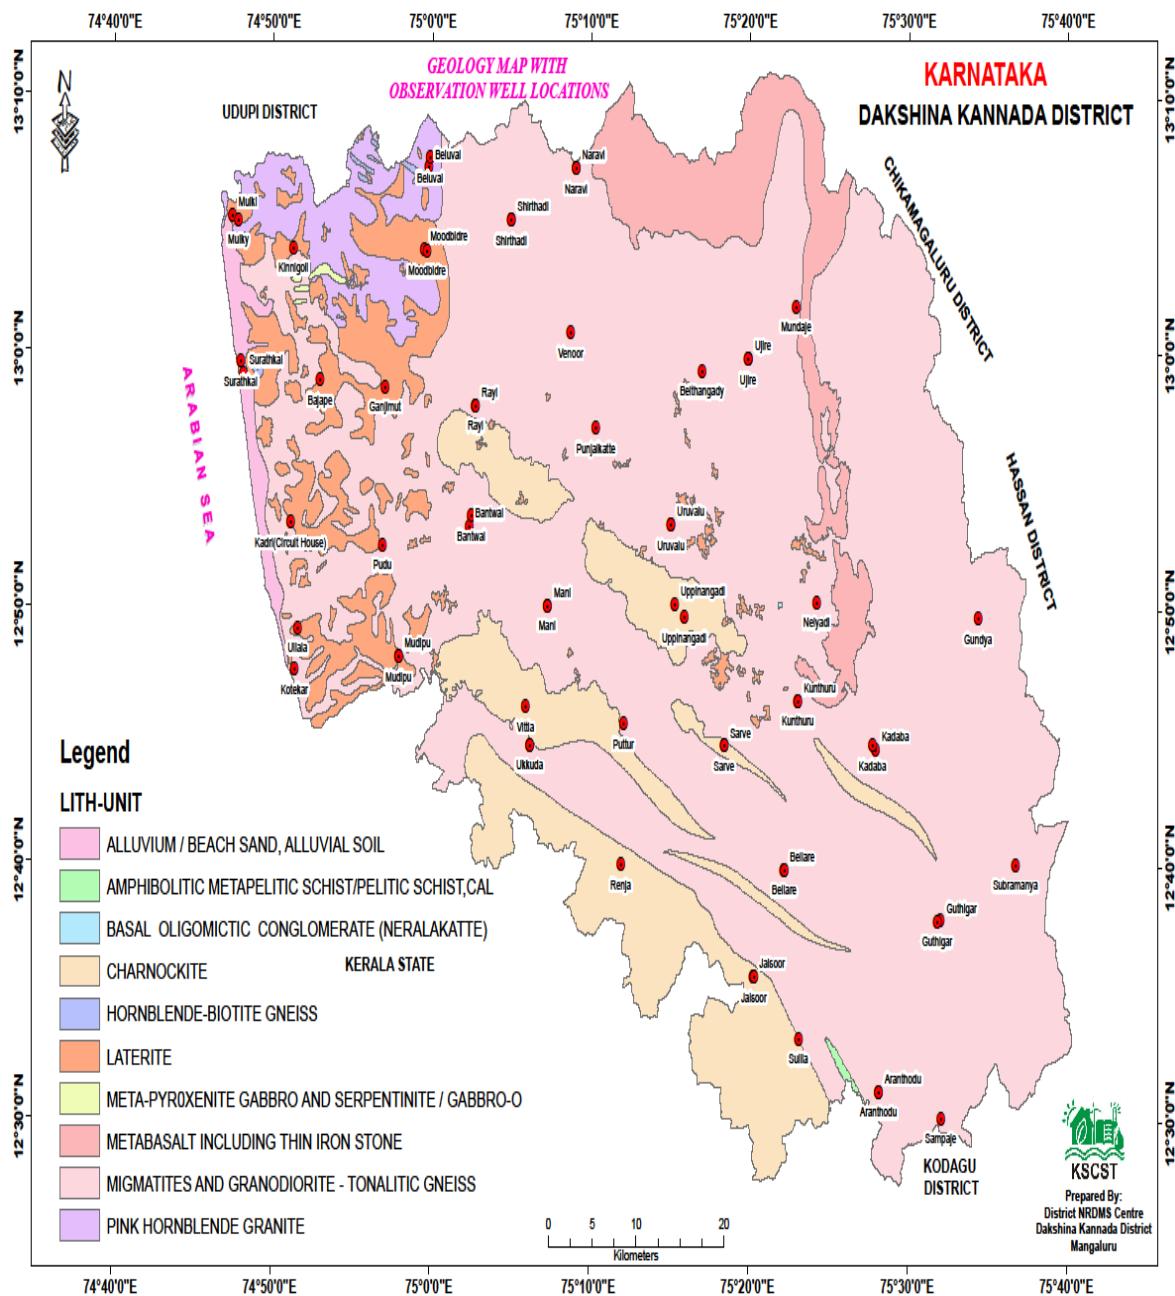

As per the order from the Mines and Geology Department, Prepared area recommended for Sand deposits to exact range of the sand deposits identified by the Taluk Sand Committee in Sullia taluk and Puttur taluk is required to be confirmed by the concerned department along with the drainage map of the identified sand deposits in order to take further action.

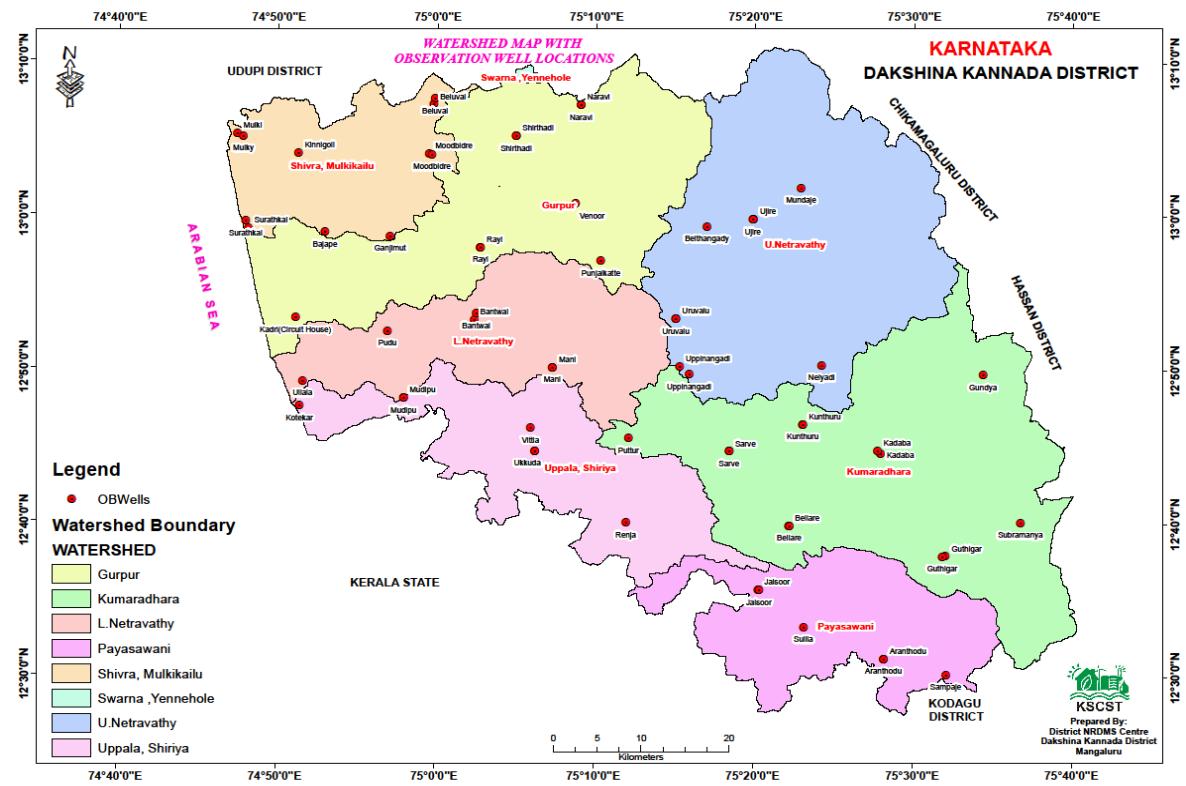

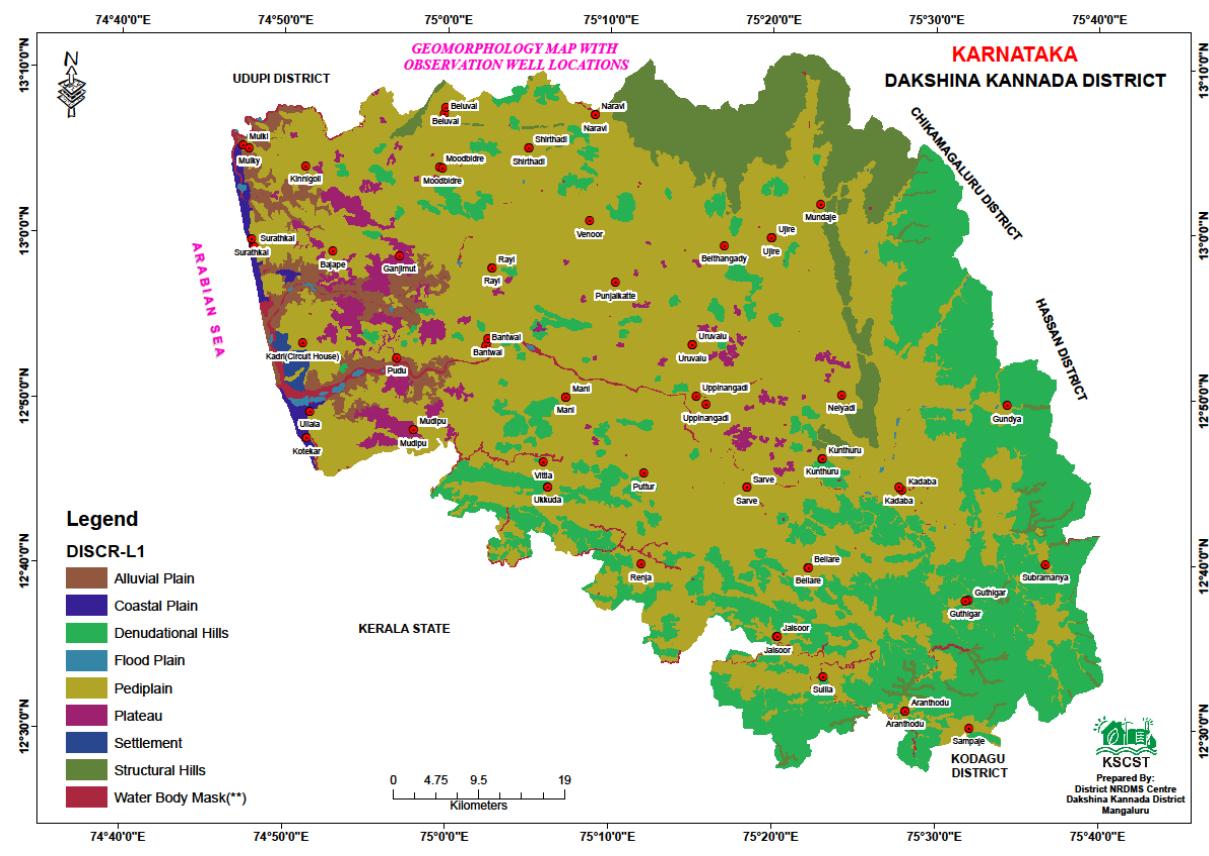

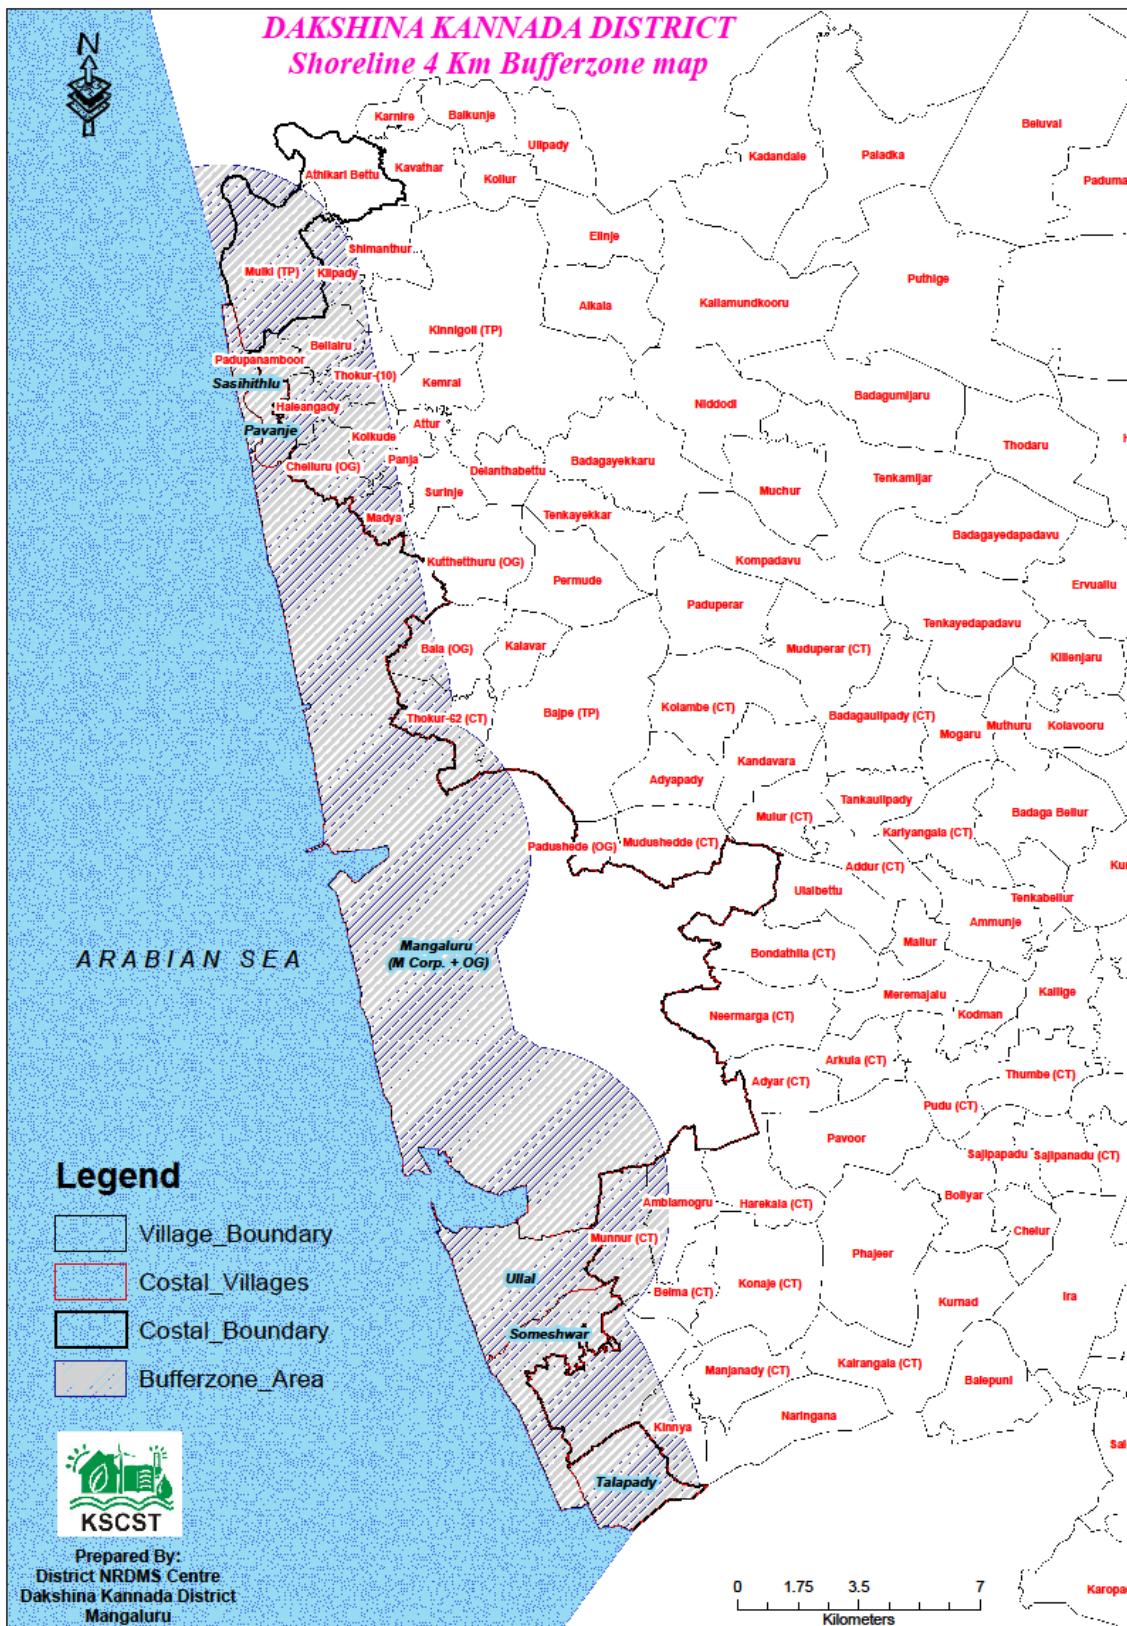

- **Ground water Department**

As per the request from the Groundwater Department to integrate groundwater data into the KWRIS dashboard, observation wells need to be overlaid with geology, geomorphology, and watershed boundaries for analysis purpose. In addition, a 4-km coastal shoreline buffer-zone area map was prepared for the coastal shoreline project proposal.

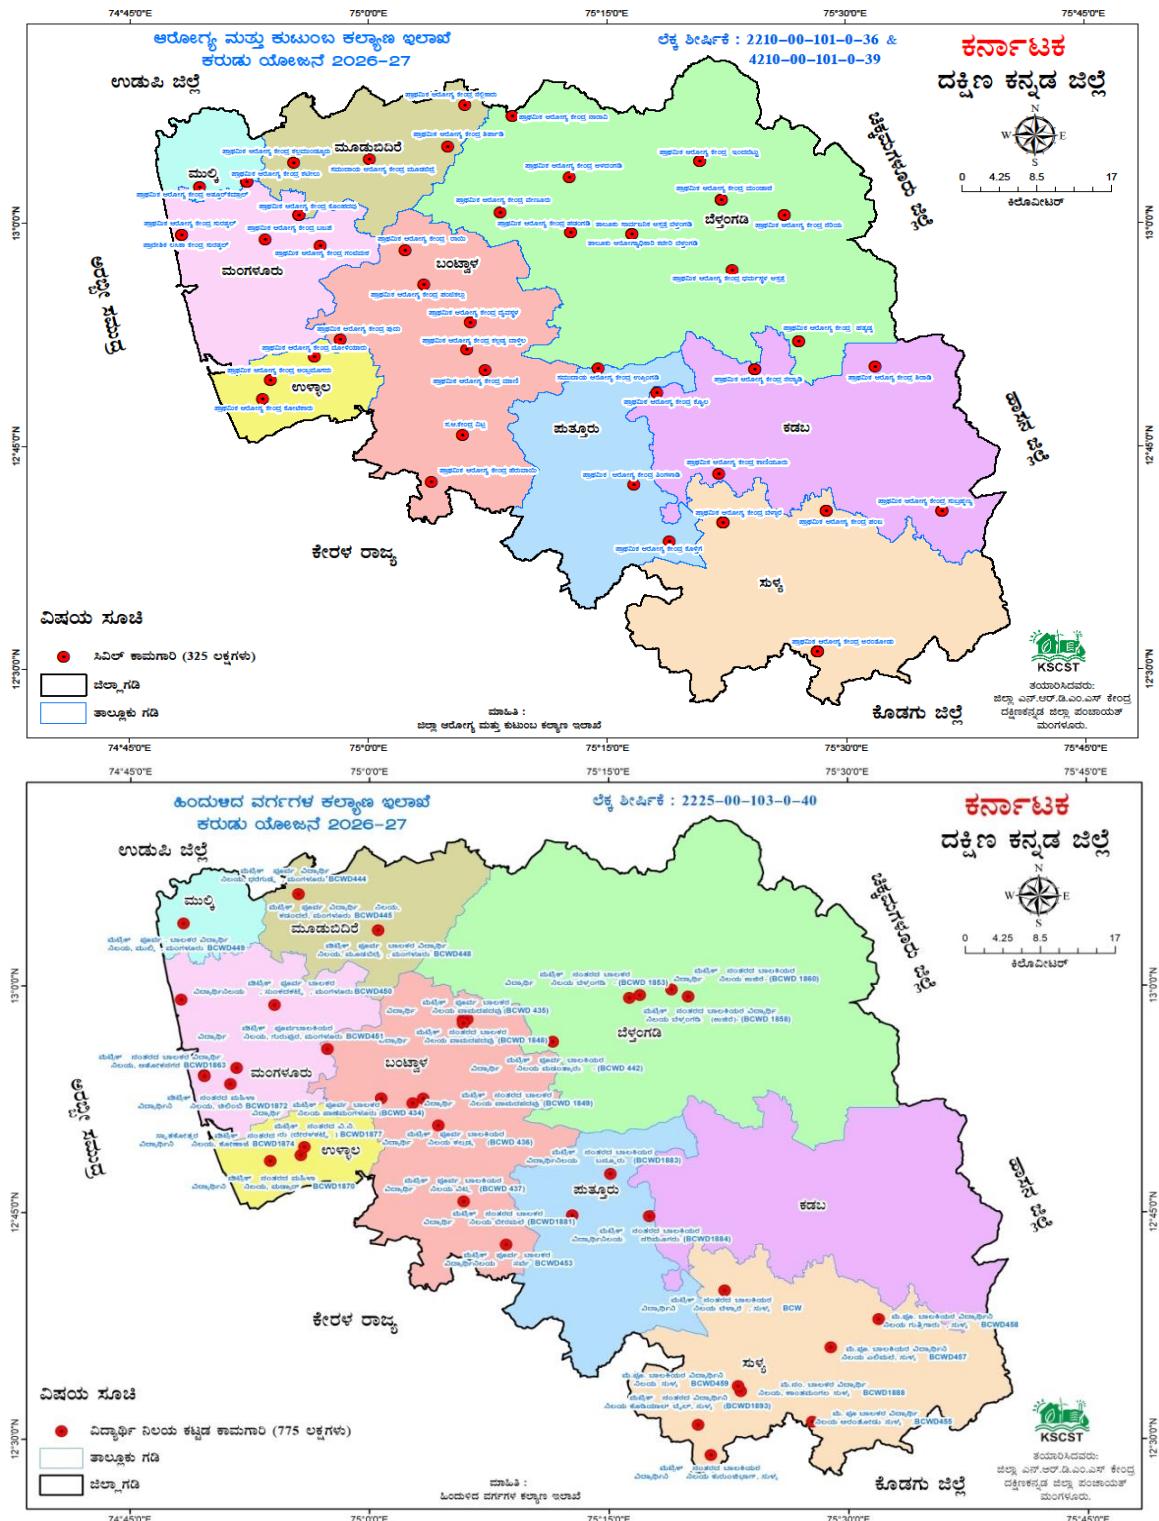

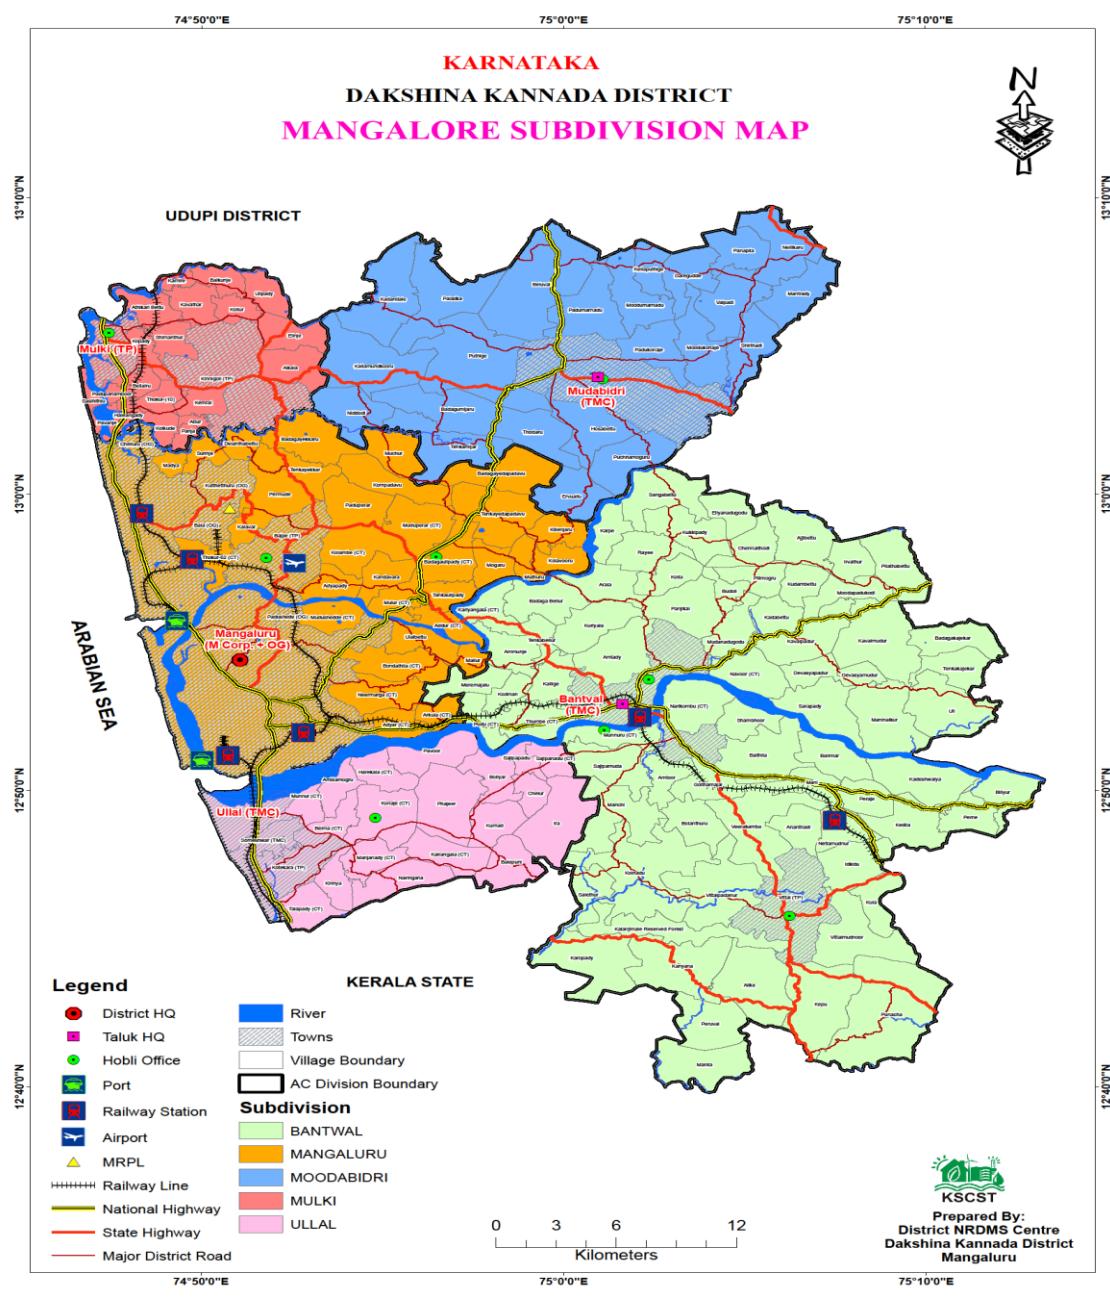

- **Planning Department**

As per the instructions from the Planning Department, the 2026–27 draft plan geospatial maps have been prepared for major departments, showing the locations of buildings selected for repair work in the next financial year.

- **Traffic subdivision Mangaluru city police Commissionerate**

As per the order from the Mangaluru City Police Commissioner, the District NRDMS Centre has prepared the Mangalore City Police Traffic subdivision map. This map is used to create a proper plan to address Traffic violence and other crimes. It also highlights important places and government offices also prepared Mangaluru AC Subdivision map.
